**Congratulations on winning this award.** In order to ensure you enjoy your award to the maximum extent possible, we have implemented a redemption process designed to minimize the "paperwork" while providing an accurate record of your award, requests and reservations. Please follow the instructions on this certificate to minimize delays or other difficulties.

1. Please complete the back of this **original** certificate and mail to Fundraising Travel Foundation, Inc., Reservations Center, PO Box 540223, Orlando, FL 32854 by **Certified Mail** to ensure delivery. Copies cannot be accepted, but feel free to make a copy for your records. Please do not lose this certificate, as it cannot be replaced if lost. When you mail your certificate by Certified Mail, in the unlikely event the Post Office loses your certificate, your Certified Mail receipt will allow us to issue you another certificate.

2. Since all trips and awards are registered to the award winner by name, we must receive this original copy to begin processing your award. If for any reason you have not received your trip information within 15 days of mailing this certificate, please call us to ensure it has not been lost by the Post Office. Please ensure we receive this certificate at least 90 days before you desire to travel.

3. When we receive this certificate with the passengers' legal names (as on passport, or driver's license if domestic travel), we will immediately send you all trip details, available dates and other important trip information. You will have the opportunity to request travel date and advise us of special needs or dietary requirements for the airlines at that time. Please do not make other arrangements until your travel dates are confirmed.

4. All air travel is on:  
a. Fully licensed major U.S carriers, (American, Delta, United, etc.) or  
b. International flag carriers, (British Airways, Lufthansa, etc.) or  
c. Certain other fully licensed carriers, (Virgin Atlantic, etc.)

We do not use charters or other non-traditional carriers. Although we do not now know which airline will be used (that depends on availabilities and convenience of service to your destination,) we will try to keep you on your airline of choice.

5. All accommodations are at high quality, amenity-rich hotels and resorts with services you expect at such a facility such as fully air conditioned private room or suite with private bath, 24 hour service, English-speaking staff, concierge service, daily maid service, full international telephone, internet and television service, etc. except where specified. You will have the opportunity to make special meal and rooming requests when making your reservations.

6. If you need to acquire valid passports and/or visas for this trip, please begin the process as soon as possible as Homeland Security concerns have caused some delays in processing passport applications since the September 11th terrorist attacks.

7. Airlines, hotels and U. S. Homeland Security do not allow passenger name changes. We strongly suggest you do not submit this form until you are absolutely sure who will be traveling. Please ensure the names listed on the reverse side of this form are spelled clearly and correctly, and include dates of birth.

8. Enjoy your trip. Thank you again for your support at the fundraising event.

**Again, congratulations on your award. Thank you for your assistance at the fundraising event.**
